"...conducting the premiere of Stephen Hill's new multi-movement work 'Harmelodic Configurations' a witty and clever collection of themes depicting images that came to the composer from life in California - from 'Driving the 5' to the 'Eastern Sierra's'. I look forward to bringing Stephen's work to life."

The name "SARAHTIM" is simply the names of my daughter Sarah and my son Tim. A few years ago, my friends and colleagues from California High School—Doug Nordquist, Ben Murillo, and Dr. David Betancourt from Cerritos College—encouraged me to share the music I compose for those who may be interested in playing or listening to it.

SARAHTIM Music Publishing is a small, independent, one-person venture. I compose and prepare the music, then put it on the website for anyone who may be interested.

Selections from SARAHTIM Music are now included on the SCSBOA Festival Music List.

*(From Program Notes by
Dr. John Burdett, Azusa Pacific University)*

Stephen Hill (b.1958) was born and raised in Southern California. He studied composition with Philip Westin at Cerritos College (CA), W. Francis McBeth at Ouachita Baptist University (Arkansas), and Byong Kon Kim at California State University, Los Angeles. Stephen's studies with these composers connect him to a lineage that includes their teachers, Roy Harris, Ingolf Dahl, Clifton Williams, Bernard Rogers, Bernhard Heiden, and Howard Hanson. Stephen composes for the simple joy of it.

For over 40 years, Stephen taught K-12 instrumental music in the Private (ACSI) Christian School (Bethany and Whittier Christian) and Public School (California High School) settings. Though semi-retired, Stephen still works with students by continuing to teach part-time at California High School and maintaining his private music studio, where he plays and teaches Woodwinds, Brass, Strings, and Piano. Stephen also plays with the church orchestra at Calvary Chapel in La Habra, CA., where Stephen attends. When teaching full-time, he was primarily a "summer" composer. No longer teaching full-time, Stephen has the privilege to compose beyond just the summer months and publishes through his company, SARAHTIM—a title which comes from simply combining the names of his daughter Sarah, and son, Timothy.
