## About the Work...

**"Before the mountains were born..."** (Grade 4) is a two-movement work reflecting two Old Testament passages.

**1. Chorale** - Psalm 90:2 *"Before the mountains were born, before you gave birth to the earth and the world, from eternity to eternity, you are God."*

Lyrical and Polytonal. The Chorale begins the work with gentleness and returns after the Toccata to conclude in triumph.

**2. Toccata** - Psalm 98:8,9 *"Let the rivers clap their hands; let the mountains shout together for joy before the Lord, for he is coming to judge the earth. He will judge the world righteously and the peoples fairly."*

The Toccata begins with a rhythmic timpani solo that remains upbeat and joyful as each section enters, culminating in a jubilant and rapturous tutti. The timpani solo returns and sets up the closing section. The brass section enters, joined with accompanying woodwind flourishes that build to a triumphant restatement of the Chorale.

## About the Composer...

Stephen Hill (b.1958) was born and raised in Southern California. His compositional lineage includes the likes of Roy Harris, Ingolf Dahl, Clifton Williams, Bernard Rogers, and Howard Hanson through study with Philip Westin (Cerritos College, 1976-1978) and most notably with W. Francis McBeth at Ouachita Baptist University in Arkadelphia, Arkansas (1978-1980). Stephen continued with graduate work at California State University, Los Angeles (1980-83) with composers Dr. Byong Kon Kim and William Hill. He composes for the simple joy of it.

For over 40 years, Stephen taught K-12 instrumental music concurrently in both the Private Christian School (Whittier Christian) and Public School (California High School) settings. Though semi-retired, Stephen still works with students by continuing to teach part-time at California High School and maintaining his private music studio, where he plays and teaches Woodwinds, Brass, Strings, and Piano. Stephen also plays with the church orchestra at Calvary Chapel, La Habra, CA. where he attends. When teaching full-time, he was primarily a "summer" composer. No longer teaching full-time, Stephen has the privilege to compose beyond just the summer months and publishes through his company, SARAHTIM—a title which comes from simply combining the name of his daughter Sarah and son Timothy.

(Notes by Dr. John Burdett, Azusa Pacific University)

A musical score page from a symphony or orchestra piece. The title "DIE HARD" is prominently displayed in large, bold, black, stylized letters across the page. The score includes multiple staves for various instruments: Picc., Fl. 1,2, Ob., Cl. 1, Cl. 2,3, B. Cl., Bsn., Alto Sax. 1,2, Ten. Sax., Bari. Sax., Tpt. 1, Tpt. 2,3, Hn. 1,2, Hn. 3,4, Tbn. 1, Tbn. 2,3, Euph., Tba., S. Bass., Timp., S. D. B.D., Tom-t. Hi-Hat, Cym./Tri./Tamb., Shaker/W. Chimes, Gong/Rain Stick, Mlt. 1, Mlt. 2, and Pno. The music consists of four measures of musical notation with dynamic markings like f, ff, and fff. The first measure starts with a forte dynamic (f) for most woodwind instruments. The second measure features a crescendo with dynamics ff, ff, and fff. The third measure has dynamics ff, ff, and fff. The fourth measure ends with dynamics ff, ff, and fff. The vocal parts (S. D. B.D. and S. Bass.) sing "Die Hard" in the third measure. The timpani (Timp.) plays eighth-note patterns throughout. The strings provide harmonic support with sustained notes and rhythmic patterns. The woodwinds play intricate melodic lines. The brass instruments provide the primary driving force with their powerful dynamics. The percussion instruments add rhythmic complexity and occasional sharp sounds like the Gong and Choke. The vocal parts enter during the third measure, singing the title of the movie.
